- Proposal: MBA catalog language changes relating to MBA Proficiency Requirements were introduced by Dr. Englis.
 - DELETE “Students must achieve an overall grade-point average of 3.0 in all proficiency coursework and/or satisfactorily complete the online modules.”
ADD: “Students must demonstrate satisfactory completion in all proficiency coursework and/or online modules.”
 - DELETE: “Additional proficiency requirements for the MBA program include work experience and computer literacy as demonstrated by course work or experience.”
ADD: “Additional expectations for entry into the MBA program include work experience and computer skills in word processing, spreadsheet, and presentation software.”
 - DELETE: “Meeting these requirements at the undergraduate level requires successful completion of 21 credit hours of proficiency course work...”
ADD: “Meeting these requirements at the undergraduate level requires successful completion of proficiency course work...”
 - ADD MAT 111 Elementary Statistics as a proficiency requirement option.

Discussion: Dean Grout explained that AACSB requirements from previous accreditations had required some specific requirements be in place and that this is no longer the case.

First reading was waived for the MAT 111 addition.
